Dear Doctor

On behalf of the Derby Specialty Training Programme

WELCOME ON BOARD

We would like you to take some time to refer to our website <http://www.derbygptraining.co.uk/> We have tried to provide information that we feel is appropriate on joining the scheme. We do, however, appreciate that you are also starting new jobs and in some cases, in specialties that you haven't worked in before so have tried not to overload you with too much information.

The Admin Team will ask you to complete some "paperwork" that we require when they first meet you.

We look forward to meeting you in August for your first GP Specialty Training teaching session.

In the meantime, please do not hesitate to contact Vicki, Sarah, Val, Kathryn or Jane in the GP Training Office if you have a problem or need help or advice. If you need to speak to a Programme Director at any time please do not hesitate to contact one of us.

We will try our best to help!

Kind regards,

Dr Stuart Holloway, Dr Sarah Milner, Dr Anna Frain
